Tawteen Opportunity: **MANUFACTURING OF SAFETY CLOTHES**

Company: Salam Petroleum Services

Company Profile:

Salam Petroleum Services is a proud subsidiary of the Power & Energy Division of Salam International Investment Ltd (SIIL). Salam Petroleum Services (SPS) excels at EPC/EPIC and FEED projects, the supply of machinery, control systems, field instrumentation, chemicals, safety products, process equipment, pipeline supply and specialized services and repairs.

Capabilities:

Thanks to a valuable investment opportunity from QatarEnergy, granted to us through the "Tawteen Program," we have established a specialized facility to manufacture high-quality safety clothing locally in Qatar. Our new facility is equipped with the latest technology and machinery, enabling us to manufacture DuPont Nomex Flame Resistant Garments as EN Certified.

Our team of experts is dedicated to fulfilling all requirements, from special designs to embroidered logos, while ensuring compliance with global standards. In addition to safety clothing, we also manufacture a diverse range of other products, including various types of coveralls and uniforms.
